

**RMCBMWCCA May Board Meeting
7/13/2016 WebEX**

Meeting called to order 6:30 pm

Present - Karen Lange, Cory Rowan, Gary Bohn, Susan Rhodes, Janet Kiyota, Andrew Jordan,
Eugene Yen, Daren Morales

Not Present - Alan Warner, Fox Chung, Christine Foley, Leslie Jenkins, Michael Feldpusch

Leslie -

DS school - 4 instructors 37 out of 66 students

Gary –

38 of 66 driving school students signed up, 4 for time trials

Alan update by email -

I think we have enough BBQ activities from the May call. Both Cory and Christine have organized events (3Zero3 and Co's). We don't need a 3rd one in my opinion.

Bimmer Burger Nights. I think it's best if the organizers try to have these scheduled on nights other than Board Meeting nights.

A new possible event that coincides with some Ofest Caravaners?

Fall driving school. I am likely to volunteer. We do need a few more instructors to fill that student count. I have not seen a big call for instructors. I'm sure Andrew will address this.

FOX update by email –

Discounts for board members regarding advertising in the MSR. Last I heard from the group we were leaning toward "no discount" for board members which is fine with me.

- Confirming next in-person board meeting (Michael to have more info on that)
- Following up on Leslie's question about getting Patty access to MotorsportsReg for information on line-item payments and deposits into the Club account.

Susan –

MSR Deadline August 24. Needs articles. Maybe an article on history of chapter Has car reviews from Isaac, Susans' boss rented an i8 and will review.

- Eugene - Add history of chapter to website

Christine – Update provided by email post meeting

Co's has agreed to be the title sponsor for our Street Survival event coming up in September. Ali Bandell is running that. Ali has been pulled away from any planning on that. She and I are supposed to take a drive up there hopefully next week and meet with Kenton and his advertising person. Should be able to get that all settled.

Winslow BMW is the title sponsor for the fall school. They are in for \$600 for the 1 day school. I have just received their 1 comp person and will talk with him next week to get him all signed up.

Mark Baer has agreed to write another article for the MSR. Will send him a friendly reminder on that.

***Final option list for annual party?

Cory –

New business- paying for website over the year 60 hours at 50% discount

Talk about renewing contract from last year, Cory would like contract renewed (Steve Hamilton signed previous agreement).

***Cory will present to board, post to website
